

## Helpful Technology using Embedded Microcontrollers

Technology from the female point of view!

What technology is currently helpful to us, our families, and our friends?

- ABS: safety
- Air bags
- Air conditioning
- Airplanes
- Alarm Clocks
- Amplifier
- Animal water system-Likit
- Answering machines
- Artificial limbs
- ATMs
- Automatic controls
- Automatic insulin injector
- Automatic timers for lights, sprinklers
- Auto-off switches
- Auto/entro-scopy technology
- Baby monitors
- Baby swing-motorized
- Banks in grocery stores
- Batteries
- Better dental tools
- Bicycle computer
- Blood pressure monitors
- Breeding for horses
- Cable and cable modems
- Calculators
- Camcorder
- Cameras
- Car and house alarms@feel safe
- Car diagnostics
- Cars
- Cash machines
- CDs, tape decks
- Cell phones
- Closed captioning
- Coffee machines
- Color printers
- Combustion engine
- Computer
- Computer chips
- Computer controlled airplanes
- Computer word processing
- Conveyer belts
- Copiers
- Credit cards
- Cross walks
- Data bases
- Database systems
- Dialysis machines
- Digital Camera
- Dishwasher 2-stage
- Dishwasher: time saver
- Dishwashers
- DVDs/CDs/CD burners
- Ear thermometers
- Easy pay gas stations
- Electrical switches
- Electric instruments
- Electric screwdriver
- Electrolysis
- Electronic Diaries
- Elevators
- Escalator
- Exercise equipment
- Exercise heart monitor
- FAX machines
- Film projectors
- Filtration systems
- Fire alarms
- Flat-panel displays
- Furbees
- Garage-door opener
- Gardening tools: electric trimmers, pH sensors
- GPS
- Grocery scanner
- Hearing aids
- Heating and AC
- High quality printers
- Holography
- Home aquariums
- Home theater
- IMAX
- Indoor tread mills
- Insulin tests
- Iron
- Keyboards
- Kitchenaid
- Laminating machines
- Laptop computers: take work home
- Laptops
- Laser hair removal
- Laser surgery
- Light/slide projectors
- Mammograms
- Medical devices
- Medical diagnosis monitors
- Pool cleaners

- Pool scanner
- Postage machines
- Power tools
- Power windows/brakes
- Powerstrips
- Printers
- Printing presses
- Radio and CD player
- Refrigerated trucks
- Refrigerator
- Remote controls
- Remote entry for car
- Rice cooker
- RVs
- Satellites and satellite communication
- Scales
- Scanners
- Schick Mach 3 razor, Silk Effects razor
- Scuba gear
- Security systems
- Seismograph and stress sensors
- Self-cleaning oven
- Sensors
- Sewing machines
- Ski lifts
- Smoke detectors
- Snow machine
- Snow mobile
- Solar batteries/energy
- Solar cells
- Solar power, water heating
- Stationary bike with screen
- Stereos
- Stove
- Surge control
- Surveillance
- Swimming pool heating
- Synthesizers
- Tape recorders
- Telephone
- Telescopes
- Thermostats
- Timers for sprinklers, lights, etc.
- Toaster oven
- Touch screens
- Trains
- Trash compactors
- Treadmill: stay inside and run
- TV
- Ultrasound
- Vacuum cleaners
- VCR
- VCR-skips commercials
- Video games
- Voice dialing
- Voice mail
- Walkman
- Washer/dryer
- Watches
- Wheel chairs
- Wind and water energy
- Wireless web on phone
- X-ray security
